

OUTPOST LIVE 2023

● 9:00 - 11:00 | Setting up of equipment

Our **Outpost Live 2023 crew** will be busy setting up and preparing for the event. You're welcome to drop in and have a chat with us!

● 12:30 | Lunch time!

By now everything will be set up and good to go for serious LAN gaming. But first, Lunch! What we will decide to do will be discussed with the people who are in the room at the time. (Suggestions are always welcome!)

● 13:30 | Let the LAN gaming commence!

At this point people will be coming back from lunch and ready to do some gaming. If you're thinking of dropping by on Friday, this would be a good point to show up, as the number of players available will be increasing.

Please be open to other games as well, and not just C&C Generals Zero Hour. LAN gaming is most fun when we all take a positive attitude and play games together that we might not be too familiar with!

FRIDAY 27TH OCTOBER

● 14:00 | Legionnaire Casual Zero Hour Livestream **LIVE**

Legionnaire will play LIVE from the event! Tune in to see him and the crew on-cam having a couple of excellent FFA sessions. There may also be some player & community member interviews, as well as some fun, casual shenanigans... and beer!

● 17:00 | Outpost Live 2023 FFA Tournament Set 1 **LIVE**

The first set of games played in the Outpost Live 2023 FFA Tournament! Get your popcorn ready, these are going to be some great games casted by one of the community's most beloved YouTubers.

Welcome back, general! We hope you've had your coffee because we've got a full day of gaming ahead of us.

● 09:30 | LAN gaming continues

At this time, some of you will start showing up, coffee in hand, ready for some serious gaming. Best is to talk with the other event goers to coordinate when you will play which game.

● 12:30 | Lunch time!

People will be heading off for their lunch break. Just ask around to see what everyone is planning to do, ask if you can tag along with a group here or there, they'll always say 'yes', and it's a great opportunity to meet some awesome community members!

● 13:00 | Outpost Live 2023 FFA Tournament Set 2

LIVE

Casted by: DrGoldFish1

The second set of the tournament will be casted by our own DrGoldFish! He was the winner of last year's tournament, and one of the best FFA players in the world. Definitely worth checking him out.

SATURDAY 28TH OCTOBER

● 16:00 - 17:00 | **Group LAN gaming**

After DrGoldFish is done streaming, we'll try and squeeze in a quick session of whatever game has been decided earlier. Check the Discord. Join in! Let's see if we can get a room full of players! It could be Counter-Strike, it could be Splitgate, or maybe TrackMania. Or something completely different.
